## *Comprehensive Protection of Civilians Training Materials for United Nations Peace Operations: Police Version*

This comprehensive training package combines aspects of the protection of civilians, Child Protection, and Conflict-Related Sexual Violence for police peacekeepers, describing the complex linkages between these tasks and how to prevent, deter, and respond to interrelated threats.

These course materials have been sourced directly from the United Nations Peacekeeping Resource Hub under a revocable licence issued by the Integrated Training Service.

## Learning Objectives:

Understand the conceptual approach peacekeeping operations take for the protection of civilians.

Outline the main protection actors and partners and their roles.

Understand how failure to protect civilians undermines the credibility of field missions and the UN.

Recognize how to prevent, deter, and respond to threats against civilians.

Understand the linkages between the protection of civilians, child protection, and protection against conflict-related sexual violence.

Identify the key components of international law governing peacekeeping tasks.

Understand the core legal concepts and norms.

Explain how POC considerations impact the planning at the operational and tactical levels.

Demonstrate how to translate conceptual and legal frameworks into appropriate action at the operational and tactical levels.

Identify key elements for planning protection of civilians operations.
